

**PRESS RELEASE No. 17/2017**

## **cargo-partner at Austria's Largest Career Fair**

**cargo-partner is represented at a number of career fairs throughout Europe, including the Career Calling in Vienna on October 18. With over 100 offices in more than 27 countries worldwide, the transport and info-logistics provider offers career opportunities in various fields.**

Austria's largest career fair, the Career Calling, takes place at the "Messe Wien" on October 18 this year. At this year's Career Calling, around 150 national and international companies from the fields of economy, technology and science take the opportunity to present themselves to students, graduates and young professionals. As in previous years, international transport and info-logistics provider cargo-partner is participating at the Career Calling to inform interested visitors about career opportunities offered by the company. At the cargo-partner booth (number 202), visitors can register via iPad and connect with cargo-partner to receive regular information about current job offers.

cargo-partner offers job seekers a wide range of career opportunities in various fields: from transport and warehouse management to IT, product management, sales and marketing up to law and finance. Beside the Career Calling in Vienna, cargo-partner is participating in numerous other career fairs in Europe as well as Asia, such as the "Kariérna cesta" in Bratislava from October 17 to 18 and the "SCCCI Trade Association Career Fair" in Singapore on November 3.

The company's ongoing growth continuously creates new opportunities. In 2017, cargo-partner expanded its international presence to the countries Myanmar and Sweden. In addition, the logistics provider is investing in the development of its software services and industry-specific transport and logistics solutions, such as for foodstuffs and perishables, pharmaceuticals and the automotive industry. As a consequence, cargo-partner is regularly searching for well-trained specialists to strengthen its teams all around the world.
